

The Responding to Autism Center was developed from a partnership between the Carson Kolzig Foundation and Responding to Autism Services, Inc.

It is the shared vision of both entities to expand services in our community and to provide family-focused treatment, education and support for Autism Spectrum Disorders.

Ways that YOU can help!

- Donate your time or talent
- Assist with special events
- Make a contribution
- Sponsor specific programs or services

For more information on how you can help support the Responding to Autism Center contact:

Responding to Autism Center

A PLACE FOR HOPE.

Place for Kids: We are excited to see every child reach their full potential.

Place for Parents: We aspire to connect families together for support, help and guidance, as well as connecting them with quality resources in our community for their child.

Place for Families: We strive to empower every member of the family with confidence and skills to enhance their daily lives with their child.

Place for Professionals: We hope to host and network with community professionals to ensure comprehensive interventions.

Place for Hope: We are providing a facility and staff committed to equip individuals to proficiently respond to autism at every level.

Our Vision

Respond

Provide the best practices and treatment of autism spectrum disorders.

- Autism screening for children
- Direct one-on-one intervention
- Individual treatment plans
- Assist with development of IEP and behavior support plans
- Identify and provide behavioral support and intervention
- Conduct summer programs

Educate

Provide parents and professionals with trainings and workshops.

- Equip parents with necessary skills to respond to autism
- Enhance professionals knowledge related to autism
- Promote awareness and sensitivity in the community

Family Focused Treatment for Autism Spectrum Disorders

Support
